

15kv Diesel Generator Equipment Low Noise

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Product Name: Diesel Generator
- Frequency: 50Hz/60Hz
- Phase: 3 Phase
- Voltage: 400V/230V
- Warranty: 1 Year
- Fuel: Diesel
- Power: 20-1000kW
- Highlight: **15kv Diesel Generator,
15kv Diesel Generator Equipment**

Product Description

Product Description:

Diesel Generator

Introducing Diesel Generating Equipment, the perfect choice for reliable and efficient power generation. Diesel Power Generator is designed to deliver superior performance and maximum efficiency. It offers high speed performance at both 1500rpm and 1800rpm, and is capable of providing power of 20-1000kW. The electric start system makes it easy to start the generator, ensuring a smooth and quick power up every time. The advanced technology used in constructing the generator makes it highly efficient, providing users with a reliable and cost effective power solution.

Diesel Generating Equipment is designed to offer superior reliability and efficiency. The high quality components ensure that the generator is able to provide uninterrupted power supply for a longer period of time. The electric start system makes it easy to start the generator, ensuring a smooth and quick power up every time. The advanced technology used in constructing the generator makes it highly efficient, providing users with a reliable and cost effective power solution.

For reliable and efficient power generation, choose Diesel Generating Equipment. It offers high speed performance at both 1500rpm and 1800rpm, and is capable of providing power of 20-1000kW. The electric start system makes it easy to start the generator, ensuring a smooth and quick power up every time. With its high efficiency and reliable performance, Diesel Power Generator is the perfect choice for your power generation needs.

Features:

Product Name: Diesel Generating Equipment

High Efficiency

Power:20-1000kW

Speed: 1500rpm/1800rpm

Fuel: Diesel

Starting System: Electric Start

Technical Parameters:

Product Name	Specification
Diesel Generator	Speed: 1500rpm/1800rpm Efficiency: High Controller: Fuel: Diesel Phase: 3 Phase Power: 20-1000kW Noise Level: Low Voltage: 400V/230V Starting System: Electric Start
Diesel Generating Machine	Speed: 1500rpm/1800rpm Efficiency: High Controller: Fuel: Diesel Phase: 3 Phase Power: 20-1000kW Noise Level: Low Voltage: 400V/230V Starting System: Electric Start
Diesel Generator Set	Speed: 1500rpm/1800rpm Efficiency: High Controller: Fuel: Diesel Phase: 3 Phase Power: 20-1000kW Noise Level: Low Voltage: 400V/230V Starting System: Electric Start

Applications:

Diesel Generator

Diesel Generator is a reliable and efficient power generator, designed and manufactured by , a well-known brand in China, and certified by ISO9001. This generator is available with minimum order quantity of 1, and its price is negotiable. It will be packaged by wood case and delivered within 10-15 days. Customers can pay by L/C, D/A, D/P, T/T, Western Union, MoneyGram etc. The supply ability of this generator is 1000 pieces per week. It has 3 phase, high efficiency, controller and low noise level, and the frequency can be 50Hz/60Hz.

Diesel Generating Machine is the perfect solution for industrial and commercial use, which is suitable for a wide range of applications, such as commercial buildings, hospitals, data centers, factories, schools, and many more. It is designed to provide reliable and efficient power for critical applications, allowing maximum uptime, while ensuring low noise level and emissions. Whether you need a reliable power supply for your business or home, Diesel Generator is the perfect choice. It provides high efficiency, low noise level, and reliable performance. With its easy installation and maintenance, Diesel Power Generator is the ideal solution for your power requirements.

Customization:

Diesel Generating Machine Customized Service

Brand Name:

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation

Packaging Details: Wood case

Delivery Time: 10-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 1000 pieces per week

Voltage: 400V/230V

Speed: 1500rpm/1800rpm

Frequency: 50Hz/60Hz

Starting System: Electric Start

Noise Level: Low

Support and Services:

Diesel Generator offers technical support and service to ensure that your power needs are met safely and efficiently. Our team of experienced technicians and customer service representatives are available to answer any questions you may have about the installation, operation, and maintenance of your generator. We also provide comprehensive troubleshooting and repair services if you experience any issues with your generator.

For additional technical support and service, Diesel Generator offers a variety of online resources including product manuals, installation guides, and FAQs. Additionally, our customer service team is available via phone, email, and live chat to provide assistance with any questions you may have.

If you need additional help, our team of experienced technicians is available to provide on-site troubleshooting and repair services. We also offer a variety of preventive maintenance services to ensure that your generator remains in optimal condition.

Packing and Shipping:

The Diesel Generator will be packaged and shipped in a safe and secure manner. The generator will be secured to a pallet and wrapped in plastic for protection against weather, dirt, and other elements. The generator will also be secured with straps to ensure it doesn't shift during transit.

FAQ:

Q: What is the Brand Name of the Diesel Generator?

A: The Brand Name of the Diesel Generator is .

Q: Where is the Diesel Generator made?

A: The Diesel Generator is made in China.

Q: What is the Certification of the Diesel Generator?

A: The Diesel Generator is Certified with ISO9001.

Q: What is the Minimum Order Quantity for the Diesel Generator?

A: The Minimum Order Quantity for the Diesel Generator is 1.

Q: What is the Price for the Diesel Generator?

A: The Price for the Diesel Generator is Negotiable.
