

1000KW SDEC Diesel Generator Equipment Automatic Manual Control System

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Sdec
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V
- Speed: 1500/1800rpm
- Frequency: 50/60Hz
- Brand: SDEC
- Noise: Low
- Fuel: Diesel
- Control System: Automatic/Manual
- Cooling System: Air/Water
- Highlight: **1000KW SDEC Diesel Generator,
SDEC Diesel Generator Equipment,
Automatic Diesel Generator 1800rpm**

Product Description

Product Description:

SDEC Diesel Generating Equipment is a high-performance Diesel Power Generator System designed for reliability and efficiency. It is equipped with the latest technology in Diesel engine design and is built to last. This SDEC Diesel Power Generator has an Automatic/Manual Control System and provides a 1 Year Warranty. It has a Frequency of 50/60Hz and is designed to meet the most demanding power generation requirements. SDEC Diesel Power Generator is a reliable and cost-effective solution for your power generation needs.

Features:

Product Name: SDEC Diesel Generator
Frequency: 50/60Hz
Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V
Control System: Automatic/Manual
Protection System: Overload/High Temperature/Low Oil Pressure
Speed: 1500/1800rpm

SDEC Diesel Engine Generator

Technical Parameters:

Property	Value
Warranty	1 Year
Fuel	Diesel
Cooling System	Air/Water
Control System	Automatic/Manual
Brand	SDEC
Protection System	Overload/High Temperature/Low Oil Pressure
Speed	1500/1800rpm
Starting System	Electric/Manual
Noise	Low
Voltage	220V/ 380V/ 400V/ 415V/ 440V/ 480V

Applications:

SDEC Diesel Generator is a reliable and durable power solution with a wide range of applications. This diesel-powered generator is designed to provide efficient and reliable power and is certified by ISO9001. It is available in a variety of sizes and is suitable for a variety of applications. It has a low noise output and features a variety of protection systems such as overload/high temperature/low oil pressure. It is equipped with electric/manual starting system, and can be cooled by air or water. The minimum order quantity is 1, and the price is negotiable. The packaging is a wood case, and the delivery time is 10-15 days. Accepted payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram. The supply ability is 1000 pieces per week.

SDEC Diesel Generator is suitable for many applications, such as commercial buildings, industrial plants, residential buildings, and more. It is also widely applied in different fields, such as emergency power, marine, construction sites, oil and gas, mining and more. It is a perfect choice for those who need reliable and efficient power. SDEC Diesel Generating Unit, SDEC Diesel Generator, SDEC Diesel Generating Equipment, and SDEC Diesel Generator Set are all available with excellent quality assurance.

Customization:

SDEC Diesel Generator: Customized Service

SDEC diesel generator is a reliable and durable diesel generating equipment with superior quality and performance. We offer customized

services in order to meet your unique requirements. SDEC diesel generator set comes with brand name SDEC, place of origin China, ISO9001 certification, minimum order quantity 1, price negotiable, wood case packaging, 10-15 days delivery time, multiple payment terms, 1000 pieces per week supply ability, speed 1500/1800rpm, power 10-1000KW, frequency 50/60Hz, air/water cooling system and diesel fuel.

We are specialized in manufacturing and supplying SDEC diesel genset with cost-effective and efficient solutions. Our SDEC diesel generator is the best choice for you to meet all your power needs. It is known for its superior quality and performance, making it the most reliable and durable diesel generating equipment.

If you are looking for SDEC diesel generator, SDEC diesel generating equipment or SDEC diesel generator set, we are your ideal partner. Contact us now for more information about our customized services.

Support and Services:

SDEC Diesel Generator offers technical support and service to ensure that our customers receive the best possible performance from their generator. Our technical support team is available 24/7 to provide advice and assistance with any issue you may have. We offer a comprehensive range of services, from installation to maintenance, and troubleshooting. We can also provide spare parts and other technical support when needed.

We understand that our customers may need help and support from time to time and our team of highly trained professionals are here to help. Our technicians can provide on-site assistance, as well as remote support, to ensure our customers get the most out of their generator. We also have an extensive parts inventory, so that we can provide the parts you need when you need them.

Our customer service team is available to answer any questions you may have about our products or services. We strive to provide the best customer service in the industry, and we are always willing to go the extra mile to ensure our customers are satisfied.

Packing and Shipping:

Packaging and Shipping

SDEC Diesel Generator is shipped in a special package designed for heavy-duty items. The package is made of sturdy cardboard and includes foam-filled inserts to provide extra protection to the generator during shipment. The package also includes a user manual and other documents which provide detailed instructions on how to install and operate the generator.

The package is designed to handle long-distance transportation and to protect the generator during transit. All parts are securely fastened and the package is marked with a distinctive label.

We use reputable shipping companies to ensure that the package arrives safely and on time.

FAQ:

Q: What is the brand name of SDEC Diesel Generator?

A: The brand name of SDEC Diesel Generator is SDEC.

Q: Where is the SDEC Diesel Generator made?

A: The SDEC Diesel Generator is made in China.

Q: What certification does the SDEC Diesel Generator have?

A: The SDEC Diesel Generator has ISO9001 Certification.

Q: What is the minimum order quantity for the SDEC Diesel Generator?

A: The minimum order quantity for the SDEC Diesel Generator is 1 piece.

Q: What is the price of the SDEC Diesel Generator?

A: The price of the SDEC Diesel Generator is negotiable.
