

10-1000kW Container Diesel Generator Digital Analog Control Panel Overload

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Frequency: 50/60Hz
- Control Panel: Digital/Analog
- Emission Standard: EU Stage II/EPA Tier 2
- Starting System: Electric/Manual
- Operation Mode: Automatic/Manual
- Noise Level: Low
- Voltage: 220V-480V
- Warranty: 1-2 Years
- Highlight: **Analog Control Container Diesel Generator, Digital Container Diesel Generator**

Product Description

Product Description:

Our Container-Housed Diesel Generator, Cargo-Container Diesel Generator, or Container Diesel Generator is an optimal solution for any industrial or commercial application. This generator provides a reliable, safe, and efficient power source, with a starting system of either electric or manual, a voltage range of 220V-480V, power output of 10-1000kW, an EU Stage II or EPA Tier 2 emission standard, and an overload/low oil pressure protection system. This generator is easy to install and maintain, and is a great choice for any power needs.

Features:

Product Name: Container Diesel Generator, Container-Based Diesel Generator, Container-Housed Diesel Generator

Protection System: Overload/Low Oil Pressure

Voltage: 220V-480V

Warranty: 1-2 Years

Emission Standard: EU Stage II/EPA Tier 2

Operation Mode: Automatic/Manual

Technical Parameters:

Warranty	1-2 Years
Structure	Container
Frequency	50/60Hz
Starting System	Electric/Manual
Emission Standard	EU Stage II/EPA Tier 2
Fuel Type	Diesel
Control Panel	Digital/Analog
Operation Mode	Automatic/Manual
Protection System	Overload/Low Oil Pressure
Fuel Consumption	Low

Applications:

Minlong Container-Based Diesel Generator is an efficient and reliable power solution for applications that require a reliable source of power. It is designed to provide power in a convenient, compact and secure package. It is equipped with a heavy-duty diesel engine and a robust control panel that allows for easy operation. The generator is certified with ISO9001 and comes with a minimum order quantity of one. The price is negotiable and the delivery time is 10-15 days. The payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The generator is provided with a wood case for easy storage and transportation. It has a voltage range of 220V-480V and a noise level of low. It is also equipped with an overload/low oil pressure protection system and a digital/analog control panel for easy operation. In addition, it can be operated in both manual and automatic modes.

Minlong Container-Based Diesel Generator is an ideal power solution for those who require a reliable source of power. It is suitable for use in commercial, industrial, agricultural and mining applications. It is also perfect for cargo-container and container-based diesel generator systems. It is highly compact and efficient, offering superior performance and reliability. It is also suitable for those who are looking for a reliable and compact diesel generator solution.

Customization:

Cargo-Container Diesel Generator

Brand Name: Minlong

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation
Packaging Details: Wood case
Delivery Time: 10-15 days
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 1000 pieces per week
Fuel Consumption: Low
Warranty: 1-2 Year
Fuel Type: Diesel
Cooling System: Air/Water
Frequency: 50/60Hz

Support and Services:

Container Diesel Generator offers technical support and services to ensure your product is running at its best. Our technical support team is available 24/7 to answer any questions or concerns you may have about your product. We provide on-site services such as installation, maintenance, and repair, as well as remote services including troubleshooting, diagnostics, and software updates. We also provide spare parts to ensure your product is up and running when you need it.

Packing and Shipping:

Packaging and Shipping for Container Diesel Generator:
The generator will be packaged in a wooden box for protection during transportation.
The box will be securely banded with metal straps.
Shipping will be done by sea or air freight depending on destination.

FAQ:

Q: What is the brand name of Container Diesel Generator?
A: The brand name of Container Diesel Generator is Minlong.
Q: Where is Container Diesel Generator from?
A: Container Diesel Generator is from China.
Q: What certification does Container Diesel Generator have?
A: Container Diesel Generator has ISO9001 certification.
Q: What is the minimum order quantity of Container Diesel Generator?
A: The minimum order quantity of Container Diesel Generator is 1.
Q: What is the price of Container Diesel Generator?
A: The price of Container Diesel Generator is negotiable.
