

## Air Water Cooling Container Diesel Generator Automatic Manual Digital Analog

Our Product Introduction

for more products please visit us on [diesels-generators.com](http://diesels-generators.com)

### Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

### Product Specification

- Voltage: 220V-480V
- Operation Mode: Automatic/Manual
- Cooling System: Air/Water
- Fuel Consumption: Low
- Structure: Container
- Emission Standard: EU Stage II/EPA Tier 2
- Power Output: 10-1000kW
- Protection System: Overload/Low Oil Pressure
- Highlight: **Air Cooling Container Diesel Generator,  
Water Cooling Container Diesel Generator**

## Product Description

### Product Description:

Container-Mounted Diesel Generator, also known as Container Diesel Generator or Cargo-Container Diesel Generator, is a reliable power solution for various applications. It is equipped with high-quality diesel engine, and features Automatic/Manual operation mode, digital/analog control panel, EU Stage II/EPA Tier 2 emission standard, and power output from 10 to 1000 kW. With its easy installation and maintenance, this generator is perfect for powering industrial, commercial and residential applications.

### Features:

Product Name: Cargo-Container Diesel Generator

Operation Mode: Automatic/Manual

Emission Standard: EU Stage II/EPA Tier 2

Protection System: Overload/Low Oil Pressure

Fuel Consumption: Low

Control Panel: Digital/Analog

### Technical Parameters:

Product Attribute	Details
Starting System	Electric/Manual
Fuel Consumption	Low
Control Panel	Digital/Analog
Structure	Container
Fuel Type	Diesel
Voltage	220V-480V
Emission Standard	EU Stage II/EPA Tier 2
Protection System	Overload/Low Oil Pressure
Frequency	50/60Hz
Cooling System	Air/Water

### Applications:

The **Container-Housed Diesel Generator** is a product of Minlong, a Chinese company certified with ISO9001. It comes with a minimum order quantity of 1, and the price is negotiable. It is packaged in a wood case and will be delivered within 10-15 days of purchase. Payment methods accepted include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The generator has a maximum supply ability of 1000 pieces per week. It meets the emission standards of EU Stage II/EPA Tier 2 and is cooled by air or water. The frequency is 50/60Hz and it has low fuel consumption with a power output of 10-1000kW.

### Customization:

Customized Container Diesel Generator from Minlong

Brand Name: Minlong

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation

Packaging Details: Wood case

Delivery Time: 10-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 1000 pieces per week

Power Output: 10-1000kW

Fuel Type: Diesel

Structure: Container-Housed / Container-Based

Cooling System: Air/Water

Fuel Consumption: Low

Minlong offers customized Container Diesel Generators to meet your specific needs. Our Container-Housed / Container-Based Diesel Generators are designed for low fuel consumption and high performance. With ISO9001 certification, we guarantee the quality of our products.

We accept orders in minimum quantity of 1. The price can be negotiated. Delivery time is 10-15 days. We accept payment by L/C, D/A, D/P, T/T, Western Union, and MoneyGram. 1000 pieces are available for supply every week. Contact us today for more information.

## Support and Services:

Technical Support and Service for Container Diesel Generator

We provide professional technical support and service for Container Diesel Generator products. Our team is dedicated to providing the best service and support for our customers, and our services include the following:

Installation and commissioning of Container Diesel Generator

Maintenance and repair of Container Diesel Generator

Spare parts supply

24/7 customer support

On-site repair and maintenance

Free technical consultation

We are committed to providing our customers with the best quality services and technical support. If you need any help with your Container Diesel Generator, please feel free to contact us at any time.

## Packing and Shipping:

Container Diesel Generator is typically shipped in a steel shipping container with features that provide optimal protection for the product during transportation. The container must be sealed and secured to prevent any unauthorized access and to ensure the generator is kept safe from any external elements. Additionally, a tracking system should be used to monitor the status of the generator during its journey. The container must also be equipped with the necessary safety features such as straps, locks, and other security measures. Additionally, proper packaging materials should be used to ensure that the generator is not damaged during shipment. The cargo should be secured and properly padded to prevent any shifting or movement during transit.

When shipping the container diesel generator, it is important to make sure that all the necessary documents are included such as the bill of lading, packing list, and any other relevant documents. Additionally, the generator should be clearly labeled to ensure that it is properly identified and tracked.

## FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is Minlong.

Q: Where is this product manufactured?

A: This product is manufactured in China.

Q: What is the certification of this product?

A: This product is certified with ISO9001.

Q: What is the minimum order quantity?

A: The minimum order quantity is 1.

Q: What is the packaging of this product?

A: The packaging is wood case.

Q: What is the delivery time?

A: The delivery time is 10-15 days.

Q: What kinds of payment terms do you accept?

A: We accept L/C, D/A, D/P, T/T, Western Union, MoneyGram.

Q: What is the supply ability?

A: The supply ability is 1000 pieces per week.
